Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Water Facilities Hydroelectric & Solar Project in fiscal year 2023. The entity to receive funding for this project is the City of Tampa located at 306 East Jackson Street, Tampa, FL 33602. The project would be a valuable use of taxpayer funds because it provides for further work on hydroelectric power generation at the Hillsborough River Reservoir Dam and energy recovery at the Water Department's remote pump station. This project aligns with city and national goals to transition to renewable energy, thereby reducing city and community-wide greenhouse gas emissions. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

*Kathy Castor*
